**MEMORANDUM FOR:** Acting Deputy Director (Support)**SUBJECT:** Privately-owned Property Claim  
[REDACTED] (PK)

25X1A9a

1. This memorandum contains a recommendation for approval. Such recommendation is contained in paragraph 4.

2. In accordance with the provisions of Regulation [REDACTED] the attached claim for reimbursement in the amount of \$40.00 was considered by the Headquarters Board of Survey in a meeting held on 30 August 1956. Claimant was transferred PCS [REDACTED] to headquarters in December 1956. The [REDACTED] authorities at [REDACTED] port shipped claimant's 1955 Plymouth aboard the [REDACTED] under Agency reimbursable arrangements. When the vehicle was received by [REDACTED] in March 1956, it was noted that a piece of one tire had been torn away and the tread broken; another tire had a deep cut on the inner side.

3. One of the Goodyear tubeless tires was damaged beyond repair, and claimant estimated \$12.00 for repairing the other damaged tire. The loss was not covered by insurance, and although damage is attributed to handling by the [REDACTED] carrier, claimant is precluded by [REDACTED] considerations from forwarding a claim against the [REDACTED]. An exhibit ([REDACTED] Inspection-Receipt form) verifies damage. In compliance with the Boards' request, claimant submitted in writing an estimate of repair and replacement by Goodyear and Esso Service Stations. These estimates modify the claim to \$4.70 for repair of one tire, and to \$30.00 for a new replacement of the other, a total of \$34.70.

4. The members of the Headquarters Board of Survey, as evidenced by the signatures below, unanimously recommend approval of [REDACTED] claim, and reimbursement in the total amount of \$27.20 (including the \$4.70 repair cost, and depreciation of the replacement cost to \$22.50 in view of the 2333 mileage expended on the original tire prior to damage).

5. All requirements for the submission of a claim under Regulation [REDACTED] have been properly fulfilled by the claimant.
